Wireless Internet Packages Business Uncapped Packages: 4 Mbps 6 Mbps 10 Mbps **Uncapped** R1,050 R750 R1,450 * Business Uncapped Our intention is not to shape Business Uncapped packages, however shaping can be applied during times of extreme network congestion. When applied, only non-realtime, noninteractive services will be affected by shaping, to ensure the best possible broadband experience. Business Uncapped Packages are symmetrical, meaning upload and download speeds are the same. Business Uncapped Packages also has the highest traffic priority on the network.
